

Take care of communal property

Be careful with and take care of communal property.

Disturbance

Noise should be kept at a minimum between 22.00-06.00.

Disturbing renovations are only allowed 08.00-19.00 weekdays, 11.00-17.00 weekends.

Balconies

It is forbidden to throw cigarettes from balconies and windows.

Do not throw, drop, or shake any objects from windows and balconies.

Obstruction of communal areas

Leave hallways, entry passages, staircases and other communal areas empty from personal belongings as they are our escape routes.

Smoking prohibited

It is not allowed to smoke in any indoor communal areas such as stairwells, elevators, basements.

Keep communal areas locked

Make sure doors are locked in communal areas. Do not open the doors to people unknown to you.

Avoid pests

To avoid pests do not leave food or feed birds outside. Immediately report to the property management if you encounter pests in your apartment.
